Leader in prostate cancer imaging Prof. Frederik L. Giesel joins Scientific Advisory Board

Melbourne (Australia) – 9th March 2020. Telix Pharmaceuticals Limited (ASX: TLX, 'Telix', the 'Company') is pleased to announce that Professor Dr. Frederik L. Giesel, MD, MBA has joined Telix's Scientific Advisory Board (SAB). As a member of Telix's SAB, Prof. Giesel will advise Telix in relation to its R&D and clinical development activities spanning the Company's prostate cancer, kidney cancer and glioblastoma (brain cancer) programs.

Prof. Giesel, who is Vice Chair in the Department of Nuclear Medicine at the University of Heidelberg (Germany) is a leader in the field of cancer imaging and the use of positron emission tomography (PET) for the evaluation of prostate cancer. Prof. Giesel is currently the lead investigator on the German Cancer Research Centre's multicentre study of PET imaging using ⁶⁸Ga-PSMA-11 in newly diagnosed prostate cancer patients at high risk for metastasis, a group commonly referred to as 'high risk men'.¹

Telix's CEO Dr Chris Behrenbruch said "We are delighted to welcome Prof. Giesel onto Telix's Scientific Advisory Board, where together with a group of highly accomplished colleagues, he will provide invaluable input into our efforts to improve the lives of patients living with prostate, kidney and brain cancers. Prof Giesel has been at the vanguard of the development of cancer-specific PET tracers and has been instrumental in the clinical introduction of PSMA-based imaging for men with prostate cancer."

About Telix Pharmaceuticals Limited

Telix is a clinical-stage biopharmaceutical company focused on the development of diagnostic and therapeutic products using Molecularly Targeted Radiation (MTR). Telix is headquartered in Melbourne with international operations in Belgium, Japan and the United States. Telix is developing a portfolio of clinical-stage oncology products that address significant unmet medical need in renal, prostate and brain cancer. Telix is listed on the Australian Securities Exchange (ASX: TLX). For more information visit www.telix.com.
