Job Description: Corporate Finance Manager

Type: Full Time

Location: Melbourne

Date: Immediate

About Telix Pharmaceuticals Limited

Telix Pharmaceuticals Limited ("Telix", the "Company") is an Australian public Company (ASX:TLX) headquartered in Melbourne with operations in Europe, the US and Japan. Our mission is to be a leading, global biopharmaceutical Company in the field of "theranostic" radiopharmaceuticals and the Company is currently developing a mid-late stage pipeline of products in oncology and rare diseases.

Description

As a key member of the senior management team, the Corporate Finance Manager will work closely with the Director of Finance to contribute to the achievement of the company's strategic goals by leading the technical accounting, commercial and financial analysis functions of the Group. The incumbent will also provide guidance and leadership in a wide range of finance activities across the business.

This is a diverse, newly created role borne out of rapid growth at Telix. The ideal candidate will thrive in an agile, fast-moving environment. Key accountabilities may include:

- Statutory Accounting
- Executive Reporting
- Taxation Compliance
- Treasury Management and,
- Team Leadership (3 direct reports)

To be considered, candidates must hold a degree in a relevant business/accounting discipline and professional accreditation (CA or CPA). Strong technical accounting knowledge and a solid understanding of IFRS is also expected along with progressive experience in a firm or commercial corporate environment. Experience in a similar industry will be highly advantageous!

Agency support is not required for this role and no submissions will be considered.
