### About Telix Pharmaceuticals Limited

Telix is an Australian public company (ASX: TLX) headquartered in Melbourne with international operations in Europe, the US and Japan. Our mission is to be a leading, global biopharmaceutical company that delivers on the promise of precision medicine through targeted radiation, and we are currently developing a portfolio of clinical-stage products that address significant unmet medical need in oncology and rare diseases.

### The Opportunity

As Telix continues to grow, the Director, Global Taxation role has been created to ensure Telix's global tax strategy is aligned to the Business' strategic direction. This includes optimising Telix's global tax structures, directing all tax planning activities, transfer pricing and global tax compliance in collaboration with the regional CFO's and the corporate Finance team.

The role will entail both operational and strategic components and work closely with internal and external stakeholders, including external advisors and consultants. This position will also hold accountability to drive global tax projects and present to leadership.

### About You

To excel in this role, you will be a strong and decisive hands-on senior leader with experience leading a corporate tax function in a multinational environment. You also hold a CPA or CA and/or relevant tax certification. Additionally, you can offer:

- Persuasive, influential and energetic leadership skills
- Emotional intelligence, inner confidence and an aptitude for continuous learning
- Ability and willingness to work collaboratively with global team members across multiple time zones
- Exceptional communication and stakeholder engagement skills.

### Why work at Telix?

We are an ASX-listed, dynamic and fast-growing biopharmaceutical company headquartered in Melbourne. In addition to competitive salaries, we offer health and wellbeing incentives, long and short term incentives and support for personal and professional development. You will be surrounded by an engaged and supportive team of colleagues who all have a shared purpose: to help people with cancer and rare diseases live longer, better quality lives.

Application deadline is COB Thursday 17<sup>th</sup> March 2022.

If you have questions prior to submitting an application, please contact [natasha.hosein@telixpharma.com](mailto:natasha.hosein@telixpharma.com) . Alternatively, please apply via the channels provided by deadline. **All** applicants will receive feedback within four weeks of application deadline.

Agency support is not required for this role and no submissions will be considered.
