About Telix Pharmaceuticals Limited

Telix Pharmaceuticals Limited ("Telix", the "Company") is an Australian public Company (ASX:TLX) headquartered in Melbourne with operations in Europe, the US and Japan. Our mission is to be a leading, global biopharmaceutical Company in the field of "theranostic" radiopharmaceuticals and the Company is currently developing a mid-late stage pipeline of products in oncology and rare diseases.

About the Role

The Senior Accountant will be responsible for preparing all the accounting activities in collaboration with the Accounting Director. Tasks will include but are not limited to:

- General accounting functions such as accounts payable entries in line with BE GAAP
- Preparation of all VAT activities and declaration
- Financial statements and support schedules according to monthly and quarterly close plan
- Tax returns and other corporate reporting requirements
- Collaboration with other departments to ensure proper accounting for revenue, purchases and expenses

About You

You are a passionate and collaborative senior accountant who has an entrepreneurial spirit and enjoys a dynamic work environment. You hold a relevant degree (business, accounting, tax) and have several years' experience in a consulting or corporate environment. You can assist with all general accounting duties and have a sound knowledge of GAAP. IFRS is a plus. You're a confident Excel user and have SAP B1 (or experience with another ERP system). You are action-orientated and like to make things happen! Above all, you are passionate about your work and committed to Telix's mission.

Why work at Telix?

We are a dynamic, fast-growing biopharmaceutical company where employees have a shared purpose: to help people with cancer and rare diseases live longer, better quality lives. This is an exciting time for Telix and we are looking for like-minded, passionate professionals to join us on the journey.

Application deadline is Wednesday 5th January 2022.

No agency submissions will be considered for this role.
