## About Us

Telix Pharmaceuticals Limited (“Telix”, the “Company”) is an Australian public Company (ASX:TLX) headquartered in Melbourne with operations in Europe, the USA and Japan. Our mission is to be a leading, global biopharmaceutical Company in the field of “theranostic” radiopharmaceuticals and the Company is currently developing a mid-late stage pipeline of products in oncology and rare diseases.

## About the Role

Telix is rapidly growing and seeking to expand the regional marketing team. Reporting to the Director of Commercial Operations APAC, the *Marketing Manager, ANZ* will contribute to marketing initiatives for the region and eventually the broader APAC region (upon achievement of product Marketing Authorisations) and Global company. This individual will play a key role in Telix’s commercial development in Australia and New Zealand. The position may evolve however core responsibilities will include:

- Leading the ANZ marketing footprint through tradeshows, marketing assets, marketing presentations and other channels
- Leading the development of marketing strategy for ANZ (with potential global) including contributions to design concepts, market approaches, KPI construction and management
- Working cross-functionally with key stakeholders in the development of sales and marketing collateral, communications tools and product positioning tools
- Working with functional Marketing counterparts in other Regions and contributing to brand strategy for approved and prelaunch products.
- Significant responsibility around key tradeshows and public communication opportunities
- Sales training tool and methods development for Sales team.

Travel is expected to be 20-30% (domestic, possible international within the APAC Region).

## About You

You hold a Bachelor or equivalent qualification in Marketing, Public Relations, Communications or a scientific domain with prior pharmaceutical or healthcare marketing experience. You have demonstrated experience in marketing design materials such as web design, sales collateral, social media, tradeshow, etc. and ideally, experience working with budgets. In addition to being tech-savvy, you have strong business acumen and enjoy working with a diverse, passionate group of colleagues. Ideally, you’re looking for a role where you can have lasting impact through your contributions. Working TGA and Medicines Australia knowledge regarding marketing guidelines and, restrictions desired and proficiency in TGA and internal rules/guidelines for Marketing and Advertising Review Process - a plus.

### Why work at Telix?

We are a dynamic, fast-growing biopharmaceutical company working towards a shared mission: to help patients with cancer live longer, better quality lives. This is an exciting time for Telix and we are looking for like-minded, passionate professionals to join us on the journey.

Agency support is not required for this role and no submissions will be considered.
