[About Telix Pharmaceuticals Limited](#)

Telix Pharmaceuticals Limited (“Telix”, the “Company”) is an Australian public Company (ASX:TLX) headquartered in Melbourne with operations in Europe, the US and Japan. Our mission is to be a leading, global biopharmaceutical Company in the field of “theranostic” radiopharmaceuticals and the Company is currently developing a mid-late stage pipeline of products in oncology and rare diseases.

[About the Role](#)

Telix is rapidly growing and this newly created position will be a key part of a high performing, engaged and supportive People and Culture team. It is a permanent opportunity for a passionate Talent Acquisition Specialist to play an integral role in delivering against our recruitment objectives: to grow and attract the best talent within our industry. The role will support end-to-end recruitment by working with candidates, managers and P&C colleagues through the sourcing, interview and onboarding lifecycle to ensure a positive candidate experience and secure strong and suitable hires. The successful incumbent will also have an opportunity to contribute to P&C initiatives and projects.

This role can operate out of our Indianapolis office or remotely.

[About You](#)

You are US-based, ideally within the Eastern Time Zone, have experience in end-to-end recruitment and hold tertiary qualifications in HR or a related discipline. You’re a confident communicator (written and verbal) and have strong proficiency across the Microsoft office suite. You have experience with Applicant Tracking Systems, LI Recruiter and other relevant platforms (such as HRIS). Experience in Life Sciences? Bonus!

You enjoy a dynamic work environment and are action-orientated: you like to make things happen! Above all, you are passionate about your work and committed to Telix’s mission.

Please note that this role will support global initiatives so a willingness to work collaboratively with global team members across multiple time zones is important.

[Why work at Telix?](#)

We are a dynamic, fast-growing biopharmaceutical company where employees have a shared purpose: to help people with cancer and rare diseases live longer, better quality lives. This is an exciting time for Telix and we are looking for like-minded, passionate professionals to join us on the journey.

Application deadline is COB Wednesday 15<sup>th</sup> December 2021.

No agency submissions will be considered for this role.
